

## *The Gardens Shop Gift Registry*

**Allow us to assist you in creating your own  
bridal registry to suit your individual needs and  
circumstances.**

The Gardens Shop is filled with unique pieces from local artists which your guests may select as a celebration of your marriage at Mount Tomah Botanic Garden. We are the modern answer for couples who may already have most household items or prefer guests contribute to a more contemporary and memorable bridal registry list. Items such as framed botanical illustrations, prints and linocuts, ceramic ware, sculptures and the famous Wollemi Pines are a small sample of the variety available.

Mount Tomah Botanic Garden is located west of Sydney in the World Heritage listed Greater Blue Mountains. Located at 1000 metres above sea level on a basalt capped peak, the Garden is home to the Botanic Gardens Trust's cool-climate collection. Here, many plants not suited to Sydney's climate have been collected from around the world and are grouped according to geographical location. The Garden contains over 40,000 plants and is home to a large variety of native wildlife. The breathtaking panoramic views of the Blue Mountains from the Garden provide the idyllic backdrop for your wedding.

**Opening Times** — The Garden and Restaurant are open all year round except Christmas Day.
