WE BELIEVE THAT EVERY PLANT HAS A STORY TO TELL ...

You can tell your story by purchasing a tree that will line the majestic new entrance way into the Garden. Whether to remember a loved one, to celebrate an achievement, to commit to a partnership or to show your respect for the environment, dedicating a tree will leave a lasting legacy for generations to come.

The Australian Botanic Garden, Mount Annan respects and treasures every one of its 47,950 plants. With the opening of its new entrance off Narellan Road, the Garden is offering an opportunity for residents and visitors, as well as corporate and community groups, to dedicate a tree that will become part of the history of the beautiful Macarthur region.

The entrance will be lined with up to 130 Hoop Pine Trees (*Araucaria cunninghamii*) in avenue formation. These trees can grow up to 60 metres and live for up to 450 years. **Each tree will become a significant feature in the Australian Botanic Garden's landscape to be enjoyed now and by future generations.**

Dedicating a tree will cost \$2,500 and is 100% tax deductible. In recognition of your dedication, you will receive the following:

- cast bronze plaque with the name of the individual/group to which the tree is dedicated
- a certificate of dedication
- an invitation to the opening of the new entrance

To make your donation to dedicate a Hoop Pine, please fill out the form to the right.

I we/would like to dedicate a tree and donate \$2,500
