Permits and licences to collect

Before collecting plant specimens, permission from the land holder and/or manager of public or private land should always be sought. Licences are required to collect from threatened species, populations and ecological communities listed under the NSW *Biodiversity Conservation Act 2016*. Please attach relevant documentation with this form.

Specimens submitted become the property of the National Herbarium of New South Wales

visit NSW Flora Online at plantnet.rbgsyd.nsw.gov.au to help you identify the plants of New South Wales
